**“Wow! Tastes Just Like Peanut Butter!”**

**Your customers WANT and NEED our new **WOWBUTTER™****

**The perfect SAFE4SCHOOL Peanut Butter Replacement!**

**FAST BECOMING A NEW FOOD STAPLE for the millions of allergic and non allergic kids attending the thousands of schools that have banned peanut butter due to allergy policies.**

**Moms now NEED and WANT our new smooth, creamy and incredibly delicious WOWBUTTER because it “TASTES JUST LIKE PEANUT BUTTER”, it’s SAFE4SCHOOL and because kids can’t tell the difference. Kids LOVE it and so does the whole family! Hundreds of testimonials attest to it.**

**Frustrated moms are buying WOWBUTTER because they need it to pack school lunch boxes as it is fast becoming a major food staple for many young children.**

**A proven way to increase sales, profits and customer loyalty...**great sales numbers speak for themselves!****

**Why the great sales numbers?** Because of the need in the marketplace due to “No Peanut” policies in schools and because of the **attention-grabbing label graphics and marketing messages that motivate Moms to buy it.** In addition, follow-up sales are a result of the perfect peanut buttery **taste and texture the whole family enjoys.**

**Shelf Placement:** Because it is a peanut butter replacement, **the product is best merchandised in the spreads section so MOMS can find it easily.**

**WORTHY & EFFECTIVE CAUSE MARKETING:**

**www.FundingForSchoolKids.com** is an innovative, exciting and timely new school funding program that will greatly enhance new and repeat sales while giving 10 cents per jar to the shopper’s school of choice.
